

Directions to Maliba Lodge

(if coming from Clarens)

From Clarens take the route no R711 towards Fouriesburg. At the faded sign at the top of the hill at the Fouriesburg junction take the road to Caledonspoort Border post. After completing SA formalities you cross the bridge and you are now in Lesotho.

Complete the entrance formalities and pay R20.00 at the booth for road tax then travel for about 9km towards Butha Buthe (a large town) until you get to a T-junction. Be careful on outskirts of town [both sides] as police operate with radar guns and enforce 50km driving speed but are usually not there after hours or on weekends!

There is quite a lot of street activity prior to the junction in Butha Buthe. Turn right here at the junction and travel away from town (past an Excel service station on your right) in the direction of Maseru for approx 5.5 km. You will then reach a junction and a new tar road off to your left. (There is a Maliba sign board here). Take a left turn here and travel 32km until you reach Tsehlanyane National Park.

Once inside the park follow the signs either for either Maliba Lodge **OR** River Lodge.

Approx time from Border post to Maliba is 45 minutes.

Please remember unless you get roaming for your phone there is no SA network available in Lesotho and no cell network at all at the lodge.

What to take

1. Valid Passport
2. Camera
3. Warm clothes
4. Sun cream
5. Walking shoes
6. Torch
